PITFALLS, BACK OF HEAD

- ~~~~~> NB that the character pointers are not mentioned explicitly more than once. No need for typecasting. Suggestion is key.
- ~~~~~> I want to avoid coming to a premature conclusion or opinion by writing "personally".
- ~~~~~> Maybe there is something better to say about the internet than a lesson per se. I wanna avoid my writing to become patronizing and/or demonizing, mainly because that seems to be countereffective...
- ~~~~~> I am always open for responses at manusnijhoff@gmail.com for objections, comments and insights.
